INFORMATION SESSION

DENTAL RELOCATION AND INFRASTRUCTURE SUPPORT SCHEME

DENTAL RELOCATION AND INFRASTRUCTURE SUPPORT SCHEME

The federally funded Dental Relocation and Infrastructure Support Scheme (DRISS) is a grants scheme that provides Relocation Grants as well as Relocation and Infrastructure Grants to dentists who relocate to provide general dental services in regional and remote locations within Australia.

DRISS offers:

- Relocation Grants of \$15,000 to \$120,000; and
- Relocation and Infrastructure Grants up to \$370,000.

The Grants are available to registered general dentists who want to work in private practice in a location more regional, rural or remote than their current practice.

DRISS is an initiative of the Australian Government's Department of Health and is administered by Rural Health Workforce Australia.

ABOUT THE INFORMATION SESSION

The DRISS Information Session will cover the:

- Purpose of DRISS
